STATE OF MICHIGAN
DEPARTMENT OF TREASURY
LANSING

ROBERT J. KLEINE
STATE TREASURER

Dear Future Assessing Officer:

Thank you for your recent inquiry on becoming a certified assessor.

You may become certified by attending a course at a college or university in your area that offers assessing courses followed by passing the State Assessors Board certification examination. You may take a home study course offered by the State Assessors Board followed by passing the State Assessors Board certification examination.

You may study on your own from the Assessor's Training Manual (volumes 1-3 and chapter 20 from volume 4 for the level 1 assessor exam and all 4 volumes for the level 2 assessor exam) followed by passing the State Assessors Board certification examination.

When you feel that you are ready to take the exam, please contact this office to set up an appointment. The examination fee is \$50.

Upon passing the exam, you will be required to complete a residential appraisal (for level 1) or a commercial appraisal (for level 2) and submit to the board with a \$50 application fee.

If the appraisal meets State Assessors Board approval, you will be certified. If there are errors in the appraisal, it will be returned to you for corrections and re-submission.

The State Assessors Board offers 2-week daytime classes. The level 1 class is in November-December and the level 2 class is in May-June. The classes are followed by an offering of the State Assessors Board certification examination.

The examination procedure and order form for manuals are available on the Internet. Our Internet address is www.michigan.gov/treasury (go to Local Government, then State Assessors Board).

Sincerely,

State Assessors Board
